Dear Thomas Sharkey,

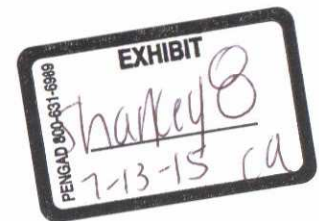

We are in the process of searching for assets to satisfy the judgment against you.

Once these assets are located, it may become necessary to send the judgment to a Sheriff for execution against said assets, unless we can make a satisfactory arrangement to resolve this matter.

To avoid this, it is important that you contact this office to arrange to pay said judgment.

Interest may subsequently accrue to this account; therefore, the amount due on the day you pay may be greater. Please note that we are required, under federal law, to advise you that we are debt collectors and any information we obtain will be used in attempting to collect this debt.
